- ▶ Launch Support Services
- ▶ Chemical Management Services
- ▶ Construction Management

**Valiant delivers a diverse array of integrated, comprehensive life-cycle services for our customers.**

We're not constrained by business lines or corporate silos. Our purpose is to empower your mission, using the best people, tools, and processes across Valiant to get the job done right.

# Who We Serve

Valiant is an experienced global government services contractor serving the United States, its allied partners, and other international organizations, focusing on three market segments:

**AEROSPACE & DEFENSE**

**NATIONAL SECURITY & INTELLIGENCE**

**CIVIL GOVERNMENT**

## CURRENT/RECENT U.S. PARTNERS

## CURRENT/RECENT INTERNATIONAL PARTNERS

 Bundesministerium der Verteidigung German Military	 Government of the Netherlands
 Swedish Armed Forces	 Ministry of Defence
 Ministry of Defence of Georgia	 Romanian Armed Forces
 Ministry of National Defence of Lithuania	

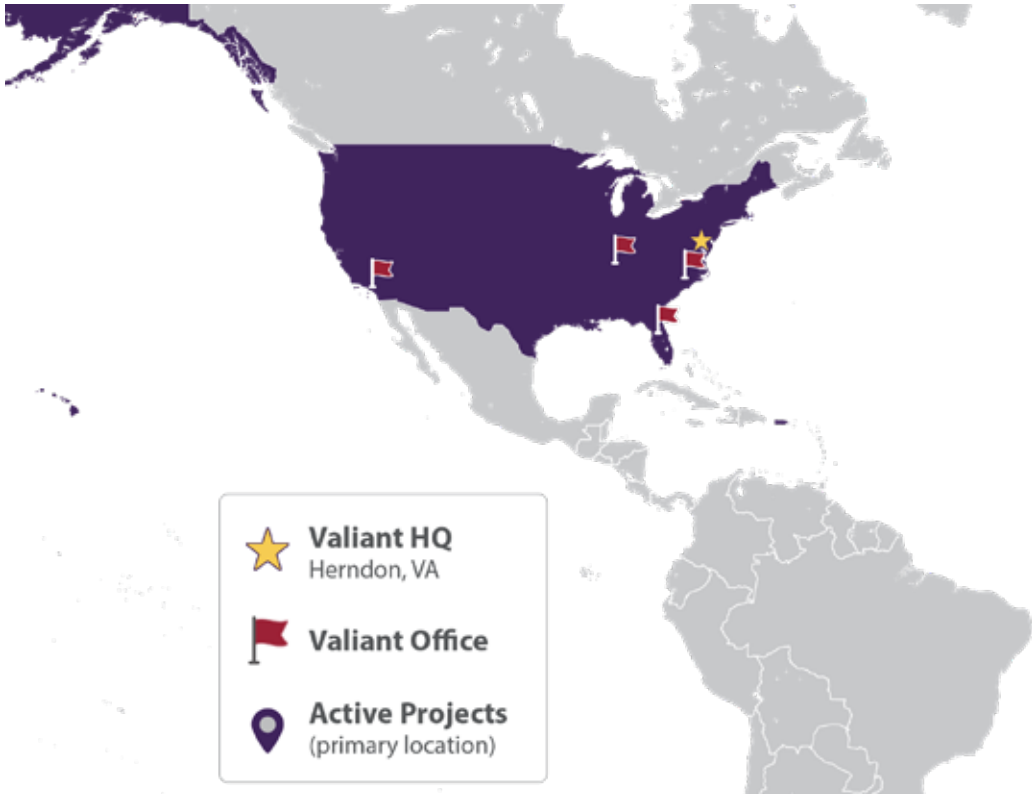

# Where We Serve

Valiant's global presence enables us to execute projects expeditiously anywhere in the world.

With active operations across 130+ locations worldwide and 54 states and territories (plus Washington, D.C.) in the U.S., we are equipped to mobilize resources and personnel to empower your most critical missions.

Anytime. Anywhere.

Proven capability to deliver qualified leadership, workforce, materials, equipment, and supplies around the world.

Committed to socio-economic development through use of local labor and suppliers wherever possible.

Global experience includes a distinct range of missions across multiple business areas.

# Our Culture

We are committed to doing what's right, creating a culture of mutual respect, and executing with excellence.

## WE DO THINGS RIGHT

We are committed to conducting our work focused on the health and safety of our associates and customers, and to always doing business the right way. We never compromise our integrity.

The Valiant Code of Business Ethics and Conduct provides a consistent, company-wide standard for how we do business. The Code applies to every associate, board member, company officer, subcontractor, vendor, and supplier without exception.

## WE ARE TRANSPARENT

We manage and assess the quality, health, safety, environmental, and compliance risks of our work throughout the project life cycle, and we regularly report the results to our board of directors, executive management team, associates, and customers.

## WE ARE ALWAYS IMPROVING

Our transparent, results-oriented approach enables continuous improvement through a commitment to learning from our experiences and holding ourselves accountable in making the world a better place. We are always looking beyond, setting the standard on what it means to execute with excellence.

## WE CHALLENGE THE STATUS QUO

We deliver innovation by combining the latest technology with industry-leading experts, taking on the most complex challenges without compromising our commitment to safety, integrity, and excellence. We partner with our customers to turn ideas into reality and drive value by delivering solutions to the world's most critical missions.

# Training, Simulation & Readiness

We deliver **advanced learning solutions** that **transform mission performance** for every branch of the U.S. military and National Guard, their reserves, and multiple global partners. Our real-world training offerings enable readiness to take on the world's **toughest challenges**.

## CAPABILITIES & EXPERTISE

- ▶ Live, Virtual, Constructive (LVC) Training
- ▶ Joint, Multinational Exercises & Wargaming
- ▶ Synthetic Training Integration
- ▶ Training Systems Operations & Maintenance
- ▶ Aviation Training & Readiness
- ▶ Range Operations & Support Services
- ▶ Multi-Service Based Management Information System (MIS)
- ▶ Digital/Managed Learning
- ▶ Training Analysis, Education, Simulation & Exercise Support
- ▶ Performance, Analytics & Evaluation

# Critical Mission & Language Support

## CAPABILITIES & EXPERTISE

- ▶ Cooperative Threat Reduction & Mission Assurance
- ▶ Integrated Logistics & Operations Management
- ▶ CBRNE Training & Support
