ADVANCED TRAINING SOLUTIONS

EMPOWERING THE WORLD'S MOST CRITICAL MISSIONS

LIVE, VIRTUAL, & CONSTRUCTIVE TRAINING SOLUTIONS

Valiant delivers operations, maintenance, and logistics support of military training systems and simulators worldwide. Our solutions include simulator and academic training for U.S. Marine Corps (USMC), Navy (USN), and Air Force (USAF) Pilots and Aircrew. Our field personnel prepare and maintain the Distributed Mission Operations (DMO) environment and support training events within the synthetic battlefield.

VALIANT

PERFORMING TODAY. PREPARED FOR TOMORROW.

We deliver **advanced learning solutions** that **transform mission performance** for every branch of the military and their reserves. Our real-world training and simulation solutions enable readiness to **take on the world's toughest challenges**.

SIMULATOR & TRAINING DEVICE OPERATIONS AND MAINTENANCE

Preventive and corrective maintenance, supply support, and inventory management for aviation simulators, training systems, and associated equipment for numerous military aircraft.

RANGE OPERATIONS & MAINTENANCE

Maintenance of target and scoring systems and equipment; operating, maintaining, and repositioning Electronic Warfare emitters; and Explosive Ordnance Disposal clearance and removal.

FLIGHT & ACADEMIC INSTRUCTION

Simulator and academic instruction for Navy, Marine Corps, Air Force Pilots and Aircrew, and foreign nationals that enables the seamless integration into the Carrier Battle Groups, Amphibious Battle Groups, and Marine Air Ground Task Forces.

DISTRIBUTED MISSION OPERATIONS

Our System Administrators maintain device IA accreditation, link training devices into the synthetic battlefield, and manage the connectivity of the devices to enhance training complexities at reduced costs.

TRAINING SYSTEMS MANAGEMENT

Support for all training systems, including course development and revision and maintenance; experience includes MAWTS-1 training development and support to accompany the Advanced Simulation Program product.

FEATURED EXPERIENCE

F/A-18 & EA-18G COMS AND CIS

CUSTOMER: Naval Air Warfare Center Training Systems Division

PROJECT LOCATIONS: Naval Air Station (NAS) Oceana, Marine Corps Air Station (MCAS) Miramar, NAS Lemoore, NAS Whidbey Island, and MCAS Beaufort

SUPPORTING: Aviation training for Navy F/A-18E/Fs and EA-18Gs, and Marine Corps F/A-18C/Ds

MARINE CORPS AVIATION TRAINING SYSTEMS (USMC ATS)

CUSTOMER: Naval Air Warfare Center Training Systems Division

PROJECT LOCATIONS: Marine Corps Air Stations Miramar, Yuma, Cherry Point, and New River; Camp Pendleton

SUPPORTING: Aviation training for Marine Corps AV-8 Harrier; C-130 Hercules, AH-1Z Cobra, UH-1Y Huey, and MH-53 Sea Stallion helicopters; MV-22 Osprey tilt-rotor aircraft

USAF DRAUGHON RANGE

CUSTOMER: 35th Operations Support Squadron

PROJECT LOCATION: Misawa Air Base, Japan

SUPPORTING: Operations and maintenance of the range for air-to-ground training for USFJ, including Close Air Support (CAS) for fixed and rotary wing aircraft using low, medium, and high threat tactics; FAC/JTAC certification and currency training; and Electronic Warfare
